

Notice for 7th Semester Students: Absentee List for Industrial Internship

The following students are found to be Absent in Industrial Internship as they did not submit the required documents on time. As such they are liable to be marked Absent and get a Fail grade in this.

Considering the case that the students are in final year of their course a final chance is given to submit the required documents (certificate and report, both hard and soft copy). However, as a penalty for not submitting on time they will be only evaluated out of 65 marks, the remaining marks are deducted as penalty. They have to submit the documents latest by 3 PM of Saturday, 6 January, 2024. Any remaining students after that date will be summarily marked Absent. Students to submit the documents to Rishika Yadav, Asst Prof, Dept of CSE.
