Compulsory Group Division Test for 5th Sem Students

All BTech CSE/IT 5th Sem students (currently promoted to 6th semester) of both GEU and GEHU are hereby informed that there will be a group division test on Jan 5th, 2022, Wednesday. The test will be for initial screening of students to divide them into 4-5 equal groups for purpose of placement preparation. Students should note that their placement interviews start in 7th semester and considering that almost one and half year offline classes could not be held due to the pandemic situation, which necessities a rigorous placement preparation.

Test Details are as follows:
Date: Jan 5, 2022
Time: 5:00PM – 8:00PM
Duration: 2.5 Hours
Location: Take from home (Hackerearth test link will be emailed to you 12 hours before the test scheduled)
Test Format: 3 Programming ques (C, C++, Java are allowed) and Aptitude & Verbal MCQs

Note:
1. Students who will not take part in test will not be allowed to sit for placements subsequently.
2. Stay away from cheating and copying codes as this is nothing to do with grades but it is an opportunity to assess yourself and put yourself in right group for training.
3. Date and time of test is final and cannot be changed in any circumstances.
4. Fill the details in the below link very carefully, no change will be allowed manually by messaging or calling faculty members individually.
