

ELECTIVE CHOICE NOTICE FOR 3rd SEMESTER CSE – Core STUDENTS

Important Notes:

1. Choice of Electives are for the Core CSE students only. For specialization students the Electives are fixed based on their specialization. Hence the choices are to be given by Core CSE students only.
2. Please choose your Elective after due diligence based on your interest. Under no circumstances you will be allowed to change Elective after the due date.
3. An Elective will be offered if only a minimum number of students choose a particular subject. If less number of students chooses a subject then the Elective might not be offered. Hence all students are required to provide a second choice also. If the First choice does not run for less number of students then the second choice will be offered and so on.
4. Choices can be made for the given SWAYAM courses also. If you select an elective through SWAYAM, it is your responsibility to timely register for the courses, submit assignments and appear for final exam. On successful passing the student will submit the certificate received from SWAYAM. The evaluation criteria is mentioned at the course site. Students to note that once student selects this choice it is imperative that he/she fulfills all the requirements of the course, no change is allowed at a later stage. If the student fails to appear for the exams or pass the exams it will be considered Fail.
5. **If the first preference is from SWAYAM that it will be considered as final and there is no meaning of second preference. Those who are not familiar with what is a SWAYAM course- a footnote is given below.**
6. **The due date for filling the form is 5 PM of Friday, 26th July 2024 (This is a hard deadline). Note that if you do not choose an Elective you will be randomly allotted one and no representation under any circumstances are considered. And also nobody is entertained with any request for Elective change under any circumstances.**

Link for the form is given below:

Footnote:

What is SWAYAM?

SWAYAM (<https://swayam.gov.in/>) is a Government of India initiative. It aims to provide millions of students with a quality education through e-learning courses. More than 150 institutes including IITS offer Massive Open Online Courses (MOOCs) through SWAYAM.

What is the process?

You need to register for a particular course within due dates (No charge for registering a course). You will go through the video lectures and other materials every week, submit assignments on time. You have to appear for a final exams (exams are held at designated centres, so you have to be prepared to go to the centres and give the exams). Also, a registration charge is taken by SWAYAM for the exam (normally 1000 Rupees). The candidate has to borne the cost himself/herself. The University is likely to reimburse half this fee later (based on approval). After clearing the exam the marks and credits are entered in the marksheet.

What are the benefits of taking a SWAYAM course?

- Earn Certifications. Earn Certifications and Recognition from the Top Universities.
- Credits are directly entered in your marksheet and are also reflected into your ABC (academic Bank of Credits) id for seamless credit transfer.
- Special recognition in industry
- Self-Paced Learning. Learn at your own pace, Anytime, Anywhere.
