

Notice: Mini Project Notice for 5th Semester Students

This notice is to inform the students of 5th semester regarding their mini project of this semester. The students should note that mini project is a compulsory component of the scheme which will be evaluated for 100 marks.

The method of mini project evaluation has been overhauled. The students are allotted to individual faculty members details of which can be downloaded from the attached zip file. The students are directed to meet their allotted faculty member who will guide them regarding the project they need to do. The topic of the mini project will be decided by the concerned faculty member.

All students are required to meet their allotted project supervisors latest by Monday, 10th October. 2022 and finalize their topics.
